What is FRARO?

The Friends group was first established in January of 2012. We are a chapter under North Carolina Friends of State Parks, a 501(c)3 tax-exempt, non-profit public charity. We work with Raven Rock State Park which has designated us as the park's official support group.

We are a group of dedicated people working together to help Raven Rock State Park meet its mission of providing opportunities for public enjoyment and education of its lands while still protecting the natural beauty and integrity of the State Park.
