

Friends of Raven Rock State Park **BENCH PROJECT**

Benches are an important component to Raven Rock State Park. They allow park users to rest, or just sit and enjoy the park in comfort. These new park benches are made of composite materials and steel that will not decay like the wood benches currently in place at the park.

Working with Raven Rock State Park it is our goal is to replace all of the benches in the park with these non-decay benches. Bench sponsorships in the amount of \$500 each are being accepted. Your generous donation will be recognized on an engraved plaque attached to your sponsored bench.

Won't you help us achieve our goal of 30 new benches at Raven Rock State Park?

- I would like to help the park by donating ___ bench(s) at \$500 for a total of \$ _____
- I would like to help the park with a cash donation of \$ _____
- (100% of all donations go directly to help the park)*
