The purpose of FRARO is to support Raven Rock State Park including the lands, trails, and rivers. We work on developing and promoting public awareness; providing support and resources for the maintenance of programs, facilities and recreation; advocating for ecological conservation and preservation; and addressing environmental issues.

A **FRARO Membership** is a great way for you to enjoy Raven Rock state Park and do your part to support them. You will receive regular newsletters and what we are doing and a listing of any upcoming park events, giving you a "first to know" status.

PARK VOLUNTEER OPPORTUNITIES

YES! I would be interested in volunteering at the park. I understand I must be 18 years of age or older. I understand my name and contact information will be added to the Park's volunteer list and I may be contacted to join the Park for work in the Park.
